

# Cherry Creek Sporting Clays

Located on the Tilting H Ranch with the Cherry Creek Lodge in historical Pleasant Valley, the natural beauty of the Arizona highlands at Cherry Creek Sporting Clays offers a striking setting for one of the fastest growing sports in the United States—*Sporting Clays*. Often described as *golf with a shotgun*, the sport differs from skeet and trap shooting in that it involves shooting clays at various locations which are launched at different velocities and angles.

*Our course is designed for both beginners and experts to enjoy, with stations suitable for all skill levels.*

## 10 Station Sporting Clay Course

*To maintain the natural environment use of steel shot is requested. Ammunition is available for sale if needed. Ear and eye protection is required.*

- Great for honing shooting skills or as warm up for Sporting Clays

## 10 Station 3-D Archery Course

- Shots for both beginners and advanced archers.

- For the sportsman

- Wooded, open field and “high-flyer” shooting
- Good path ~3/4 mile long Simultaneous (true) pairs, or *on report*.
- 100 target rounds or 50 target rounds.
